

**2026 Lehigh Valley Beer Week Application**  
**May 2nd - May 9th, 2026**  
**“Celebrating the Valley’s Love of Craft Beer”**

The Valley’s Leading Bars, Restaurants, Breweries, and Distributors are being invited to participate in the Valley’s annual celebration for the love of local craft beer.

This year is a little different than previous. Your commitment as a venue for Lehigh Valley Beer Week would be \$50 to LVBW, to purchase a 1/6 or 1/2 keg of The Lehigh Valley Brewer’s Guild Guildy Pleasure 2026 (an American Pale Ale at 5.1%abv - \$225/half or \$120/sixtle) and one other 1/6 or 1/2 keg from a local brewery of your choosing! We can provide a list of brewers who have kegs available for distribution.

Each business is also encouraged to create events centered around their craft beer specialties throughout the week. All participating businesses will be marketed and advertised as LVBW participating members.
